FOR IMMEDIATE RELEASE

## CLINICARE Opens New Office In Saskatchewan

**CALGARY, Alberta**, January 2, 2007 – CLINICARE Corporation of Calgary announces the opening of an additional office in Saskatoon.

To meet the increasing demand for its award winning Electronic Medical Records and Practice Management Applications software, CLINICARE Corporation has expanded its base of operations to include a team of software development and quality assurance staff located in Innovation Place. The location will be managed by Russ Pastorchik, Senior R&D Manager.

Innovation Place, an 80 acre science park, is one of the most successful, rapidly growing university-related technology parks in North America.

Adjacent to the University of Saskatchewan, Innovation Place builds on the strengths of the university in information technologies, agriculture, life sciences, and the environmental sciences, as well as the strengths of the federal and provincial research facilities either in or immediately adjacent to Innovation Place.

CLINICARE now has offices in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario and Tacoma, WA, home of its US subsidiary, CHARTCARE, Inc. CLINICARE's Head Office is located in Calgary, Alberta in the Alastair Ross Technology Centre.

**Innovation Place – Saskatoon, SK**

**About CLINICARE:**

CLINICARE Corporation (<http://www.clinicare.com>) has specialized in software development for the ambulatory physician market since 1984. In 2005 CLINICARE won the Canadian Health Informatics Awards for Company of the Year and Corporate Citizenship. CLINICARE has also received the **Best in KLAS** Achievement Award three years in a row for being North America's highest rated ambulatory electronic medical record (EMR) for groups of 6-25 physicians.

CLINICARE received these awards because of its software functionality that enables the delivery of high quality healthcare with enhanced patient safety while allowing physicians to practice medicine their own way. CLINICARE has branch offices in the United States and Canada. Its head office is in Calgary, Alberta.

###

This press release may contain forward-looking statements, including those that may be related to revenue and net income that involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are volume and timing of systems sales and installations; length of sales cycles and installation process; the possibility that the products will not achieve market acceptance; seasonal patterns of sales and customer buying behaviour; the development by competitors of new or superior technologies; delays in product development; undetected errors or bugs in software; product liability; changing economic, political or regulatory influences in the health-care industry; changes in product-pricing policies; competitive pressures; general economic conditions.
